SUPPLEMENT TO
REPORT NO.

The first Anti-American and Aid Korea Volunteer Health Service Corps, organized jointly by the United Front Department of the East China Bureau and the Supply and Service Command of the East China Military District, left Shanghai for Peiping on 4 November to receive an assignment from the Supply and Service Command Headquarters of the Chinese Communist Army. The group is led by Major LU Ch'un-hui (陸春暉), army physician attached to the Health Department of the 3 Field Army, and includes 7 other doctors and 39 nurses, most of whom are teachers and students at the Shanghai Army Medical College.
